Pike Market Senior Center  
85 Pike Street, Suite 200  
Seattle, WA

We, the staff of the Pike Market Senior Center and Food Bank, would love for you to join us for a delicious meal and a spirited presentation on our network of programs.

The event will start with a reading of the Stone Soup fable which inspires our efforts to work in community. While lunch is served, our dedicated staff will share the accomplishments and challenges of operating a unique human services agency in Downtown Seattle.

But that's not all! A generous supporter created a Market themed quilt which will be the centerpiece for a one item silent auction.

Please mark your calendars and buy lots of tickets! There are only 100 seats available.

Warm regards,  
Pamela
